Step 5

設定 Jupyter Notebook

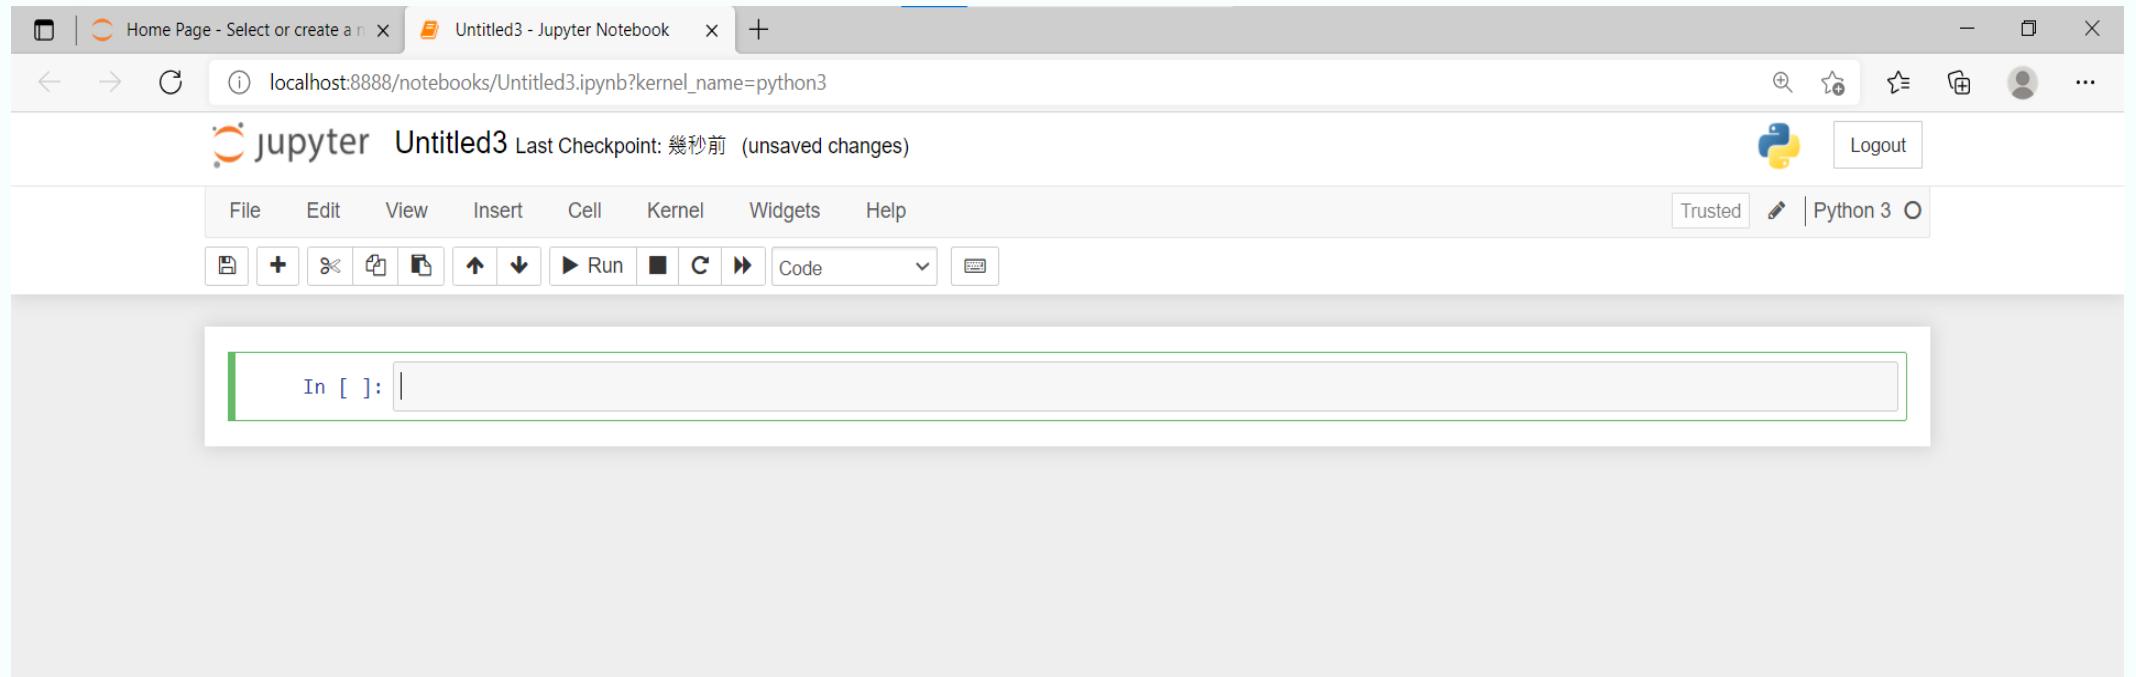

# Step 5

The screenshot shows the JupyterLab web interface in a browser window. The browser's address bar displays 'localhost:8888/tree'. The JupyterLab header includes the logo, 'Quit', and 'Logout' buttons. Below the header, there are tabs for 'Files', 'Running', and 'Clusters'. A message states 'Select items to perform actions on them.' To the right of this message are buttons for 'Upload', 'New', and a refresh icon. The 'New' dropdown menu is open, showing a list of options: 'Notebook:', 'Python 3' (highlighted with a red rectangle), 'Other:', 'Text File', 'Folder', and 'Terminal'. Below the menu, a table lists various files and folders with their creation times.
